NEWS OF LOCAL MEN IN ARMED FORCES.

Mrs. Francis J. Larentowicz of 731 East Elm street is spending two weeks with her husband, a Seaman 2/c at the Charleston Navy Yard, Charleston, S. C., where he is stationed at the radio school.

Pfc. Earl Metzger, 22 son of Mrs. Herbert Metzger of 27 Oak street, marked his first anniversary of service with the U. S. Marine Corps yesterday. He is somewhere in the Pacific area. He was engaged as a painter prior to enlistment.

Pfc. John Burnosky, husband of Mrs. Agnes Reynolds Burnosky of 805 Ford street, West Conshohocken, was wounded in France while serving in the U. S. Infantry, is recovering in a base hospital in England, where he was flown Mrs. Burnosky advising a letter from her husband received that he is not seriously wounded and is recovering. She received a letter last week that was written by a nurse and signed by her husband. An official telegram was received yesterday from the War Department by Mrs. Burnosky advising that her husband was seriously wounded in France on August 12.

PFC. FRANCIS ALFONSO
After thirteen months in the Canal Zone, Pfc. Francis Alfonso arrived yesterday at the home of his parents, Mr. and Mrs. John Alfonso, 820 Maple street, for a thirty day furlough, the first since entering the service in February, 1943. Following his induction he was sent to Camp Wheeler, Ga., and assigned to an Infantry Unit. At his basic training he was transferred to Camp Shenango and after a month was sent to the Canal Zone. Pfc. Alfonso left the Canal Zone on Tuesday by Clipper and landed in Miami, Fla. He will observe his twenty-first birthday next Thursday and a "real" celebration is being arranged. He attended Conshohocken high school and graduated with the class of 1942. Prior to his induction he was employed with the John Wood Manufacturing Company.

Pvt. Matthew H. L. Daugherty, son of Mr. and Mrs. James Daugherty of 19 East Elm street, has arrived at Ft. Riley, Kansas, to begin a seventeen-week course in an Army cooking school. He entered the service on August 20. Prior to induction he was employed with the Allegheny Steel Company as a shipper.

PFC. FRED LUKENS
Pfc. Fred Lukens, 821 Ford street, West Conshohocken, will mark his 22d. birthday anniversary on Labor Day, somewhere in the South Pacific, where he has been stationed ten months, with the U. S. Marine Corps.

He has participated in two invasions, Saipan and Tinian. Prior to enlistment in November, 1942, he was employed at Merion Worsted Mills, West Conshohocken. He attended West Conshohocken High School. A brother, Pfc. James E. Lukens is stationed with the Army in England, and a half-brother, Pvt. Jacob Kintsky is with the Army in Florida. Another brother, Delbert, is awaiting call to Navy training now.

1st Lt. Charles J. Maher, another of Norristown's air heroes, has returned home from overseas action. Lt. Maher, bombardier on the B-24 Liberator bomber "Star Eyes", is visiting his wife, Ann Maher, of 540 Stanbridge street, Norristown, on a 21-day leave before reporting to Miami Beach, Fla.

The Norristown airman, who was stationed at an Eighth Air Force Liberator Station in England since March, 1944, holds the Distinguished Flying Cross and the Air Medal with three oak leaf clusters. Lt. Maher, son of Charles J. Maher, Sr., 47 Fayette street, Conshohocken, was graduated from St. Matthew's High School in 1937. He was employed as an electrician at Valley Forge Cement Company before entering the service in October, 1942.

WHEN YOUR BACK HURTS
And Your Strength and Energy is Below Par
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For study many people feel tired, weak and miserable as the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and painful urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

FRIDAY, SEPTEMBER 1, 1941.

Democratic candidate for Vice President Truman's recent article published in a national magazine, insinuating Admiral Kimmel and Lt. George Short did not cooperate in defense of Pearl Harbor against attack, has done more to arouse the nation to demand the full truth of happenings in official circles immediately preceding the Jap sneak attack.

Admiral Kimmel has demanded immediate trial by court martial that all the facts may be placed before the American people and responsibility placed. The American people may get more light on the Pearl Harbor debacle during the present Presidential campaign.

A Danger That Can Be Eliminated

A dangerous highway condition that has been overlooked by borough authorities and will continue until official action is taken is caused by trucks hauling crushed stone and slag through the borough.

For sometime the trucks have operated in East Hector street and are so heavily loaded that as a truck rounds the bend in Hector street below Harry street, some of the stones bounce off into the street. The great danger is to passing motorists and pedestrians. It has been noticed, on more than one occasion, flying stones had hit passing cars and, fortunately, did not damage. This good luck cannot be expected to hold out. The borough authorities should notify the shippers of the material to have the truck drivers exercise more care in driving in Hector street and reduce speed in rounding the bend in the street.

A notice should be sufficient. Should it be ignored, the authorities have power to eliminate the danger.

Begin Another Season

The Mary H. Wood Choral Society will open its fall and winter season with a rehearsal in the Park House on Monday evening, September 11. Dr. Jonas Donath will again be the conductor and Miss Margaret Collins will again be the accompanist. The business affairs of the Society, which have so ably been managed in the past, will again be under the supervision of the President, Miss Mary D. Casey.

The Choral Society has established itself as a community institution. It has discovered many residents are talented and welcome the opportunity of participating in the enjoyable, instructive musical evenings.

The Choral Society to be on a firm, permanent basis must be self supporting. It is aimed to make it such. The members pay regular dues but this revenue is entirely insufficient to pay the annual expenses. Associate memberships are available and lovers of good music and those desiring to further cultural advancement of the community can be of great aid in perpetuating the Choral by taking out an associate membership.

The community is obligated to the Choral Society for its great assistance in maintaining the Civilian Defense by providing funds for its operation. The Society turned over to the Civilian Defense, when it was so urgently needed, the proceeds of its concerts, totaling approximately \$2000. Had the Society not been so generous, this money would have come from the taxpayers.

Under the able direction of Dr. Donath it has gained wide recognition for its enjoyable concerts and other communities have asked for their services.

The Choral will be self supporting and one of the borough's important recreational features if the public will continue the same generous support for the concerts to be given as they have in the past.

German Atrocities

W. H. Lawrence, a foreign correspondent of the New York Times, has sent to his newspaper an account of his visit to an internment camp operated by the Germans in Poland near the city of Lublin.

Mr. Lawrence visited the camp with an investigating committee of Russian and Polish officials. He found the camp at Maidauek was operated as a murder camp and it is estimated a million and a half of men, women and children were tortured and murdered. In his description of the camp, he says: the 600 acre camp is surrounded by a twelve feet high barbed wire fence charged with electricity. The buildings resemble army barracks as found in this country. The internees were admitted through the administration building and sent into a room to remove all their clothing. They went into another room where they bathed and were disinfected. From this room, they entered a sealed chamber and were murdered with poison gas. The bodies were removed to crematoriums, of which there were five, and burnt. The ashes were distributed over nearby fields as fertilizer for cabbage plants. Other ashes were placed in eastern urns and sold at a high price to relatives of the murdered.

Evidence of inhuman practices by Germans is being collected in all parts of Europe and it is claimed no torture was too cruel for the Germans to practice upon the people they planned to exterminate.

The Russians, Poles and French have a long list of Germans responsible for inhuman practices. They will know how to deal with the monsters after the war. Soft hearted Americans should not be allowed to interfere with the punishment of the guilty savages.

WHERE TO LOCATE

BABSON WRITES TO HOMESEEKERS

BY ROGER W. BABSON

Babson Park, Mass., Sept. 1. I have received numerous letters asking advice as to what part of the United States is best for a small sustenance farm of five acres.

Some are from people who are about to retire on a pension; while others of these letters are from the wives of army officers who are now in the service. These people are not intending to operate commercial farms. They merely want a place, close to a town or small city, where they can raise enough food to feed them and be independent. Then their only money expense will be for taxes and the cost of clothes, church offerings, recreation, etc.

Selecting a State. In addition to answering these letters I am passing my four conclusions on to my five million weekly readers. My first conclusion is that soil is of prime importance but that every State in the Union has one or more pockets of excellent soil. This means that you, yourself, can select the State in which to live. My second conclusion is that different good "soil pockets" should be considered according to your health, age, culture, recreational and other factors involved; also according to where your relatives are located. Hence, every reader can for himself select a State in which he should be happy, but needs help in selecting the State's special "soil pocket" best suited to his needs.

This means that, after selecting a State in which you desire to locate, you should write to its Agricultural Department. Address the letter to the State's capital city where the Department has its headquarters. Explain to the Department just what you want to do, how much money you have to spend, etc. Tell them your age and of what your family consists. Be sure to explain that you wish only a sustenance farm and that you do not wish to go into commercial farming. Then ask their advice as to which part of their State will best fill your needs. You can continue to correspond until you find the right location.

Choosing the Final Spot. Be sure also to ask for list of the localities in the State where either the State or the Federal Government has an Agricultural Experimental Station. You needn't tell them the reason for asking this question, but you need the answer in order to check their answers to your other questions. As a rule, these Experimental Stations are located in the good "soil pockets" having the best temperature and rainfall conditions. Therefore, you should try to locate in one of the good "soil pockets" which has been selected for an Experimental Station. This is my third conclusion.

There, however, is another even more important reason why you should be near one of these stations. You are to be more or less a novice as to farming. Yet, the raising of crops and live stock is fast becoming a science. By knowing what to plant, when to plant, how to plant and the best methods of fighting insects, fungus, etc., you can cut your work in half and double your crops. By being located close to an Experimental Station, you both enjoy good soil and you are in a position to visit the Station and ask questions and get very valuable help. Hence, my fourth and final conclusion is that you should buy your five acres as near as possible to an Experimental Station.

Buy Something You Can Always Sell. One other thought: The time may come when you or your family will want to sell your little farm. Such homesites are, as a rule, like most everything else in this world—easier to buy than they are to sell. This rule, however, usually does not apply to locations close to an Experimental Station. If it directly adjoins government land the purchaser at a good price when you desire to sell. Hence, by locating according to these conclusions you are not only sure of good soil and valuable free help to get started right, but are pretty sure to have a fair market for your place whenever you wish to sell it.

ADVERTISE IN THE RECORDER!

Attacker of Wife Burns to Death

On August 23, Samuel Hudak, 68, of 31 West 4th street, Lansdale, was arrested and sent to Montgomery County Prison after he fired a rifle at his wife, Katherine, and attacked police summoned to subdue him.

On Monday he was released after Judge William F. Dannehower reduced his original bail of \$16,000 to \$1500, which Hudak produced.

Hudak's son, Reinhold, 22, on Wednesday found his father burned to death in the second floor of the garage behind their home. Young Hudak told detectives he went out earlier to call his father to lunch. The old man's answer was: "You get a man to take me out. I'll take poison and burn this place down."

Reinhold said he returned to the house. At about 2 p. m. he looked out and saw the garage in flames. He rushed out to save his father, but was driven back.

An automobile in the lower part of the garage was saved, but \$1500 worth of antiques was destroyed in the blaze which gutted the second floor of the building.

Hudak's arrest had followed a drinking bout during which he chased his wife about the house with a gun.

She called police and, just as they arrived, Hudak fired from the garage. It was while police were awaiting tear gas that Hudak left the garage, armed with a butcher knife. During the ensuing scuffle, Chief of Police Kenneth Lear was stabbed slightly in the neck.

Following the morning worship the September service of Communion will take place with the pastor and deacons in charge. For evening worship, this church unites with other churches of the town in the Union service to be held in the Episcopal church. This is the final Union Sunday Night Service for this summer, and a large attendance is urged.
Thursday evening at seven o'clock, Matson Ford Troop of Boy Scouts will meet in the Old Gymnasium room, John Armstrong is scoutmaster.

Wills

Individual legacies totaling \$9,250 are provided in the will of Laura M. Horning, Whitpain, who died August 24, which was filed for probate today in the office of Register of Wills, Norristown. After payment of the legacies income from the residue is to be paid Montgomery Hospital, Norristown.

The estate is tentatively valued at \$20,000 and upwards.
Mrs. Horning first of all places \$1,000 in trust for upkeep of certain cemetery lots. Any balance not required for this purpose is to be paid Augustus Lutheran Church, Trappe.

Individual bequests are:
Five hundred dollars each to a brother, William D. Hallman, her grandnieces Elizabeth K. and Florence K. Howell, her nephews, George B. and Charles K. Howell, John Gleason, Sadie Messinger, Verna Umstead, \$300 each to her cousins, Alice M. Almeida and Florence Mauemann, Clarence Scheuren and Bessie V. Hallman, \$200 each to Caroline K. Sommer and V. Mae Patterson, \$250 each to Joseph A. Sommer, a nephew Daniel E. Hope, her maid Lillie Weikel, a nephew Harry W. Horning, her nieces Florence, Eva and Sadie Horning, \$100 each to Matilda Pagley, Agnes Woelfel, Florence Pagley, Alma Pagley, R. Joseph Sommer, Jerome Sommer, Rita K. Sommer, Mildred E. Sommer, George Sommer, John

Clawson, Jr., Alexander and Jean Clawson; her cousins, Edna B. Moorehead, Frances B. Peterson, Miriam B. Lewis, Helen Campbell, Verna L. Umstead, Mrs. Mary Lewis and Mrs. Kate Smith.

Children of Elsie Laganan are to receive \$500 in equal shares and an equal amount is to be distributed equally among children of Willidin D. Halfmann, Jr.

The residue is placed in trust, income to be paid a brother, Willidin D. Halfmann for life.

At the death of the brother, income is to be allowed to accumulate until this is sufficient to furnish a room in memory of the decedent's late husband, Dr. Samuel B. Horning and their daughter, Eva M. Horning. When the fund accumulated is sufficient for establishment of the memorial room, the necessary amount is to be paid Montgomery Hospital, Norristown, income thereafter is to be used for maintaining the room and any balance is to be used for general purposes of the hospital.

Anna Oden Lawrence, Lower Merion, who died August 14, in disposing of an estate valued at \$15,000 and upwards, after bequeathing various personal effects gave her U. S. Defense Bonds to her sons, John and Harry, in equal shares and the residue of her estate to the son, Harry.

An account filed today in the estate of Francis A. Hayer, Norristown, shows a balance of \$26,247.40 for distribution under terms of his will.

Other accounts filed showed these balances: Thomas J. Wozniak, Cheltenham \$8861.49; Robert E. O'Hara, Lansdale, \$2509; Alice C. Hayne,

CANCELLATION OF LICENSE APPROVED BY COURT

Action of the Pennsylvania Liquor Control Board in temporarily suspending the license of B. Cohn and M. A. Grossman, North York road, Willow Grove, for alleged violation of the Liquor Control Act, is upheld in an order handed down today by Judge Dannehower in which he dismisses an appeal of the taproom proprietors.

The order today followed a hearing on their appeal heard last Friday.
While the court found the appellants conduct a proper and orderly place, evidence was produced that liquor was sold on two occasions to persons visibly intoxicated and that without their knowledge or consent and against their instructions, a temporary employe did sell in excess of 72 fluid ounces of beer in a single for consumption off the premises in a single sale.

The RECORDER operates a modern commercial printing plant. You will be pleased with REORDER service. —Advertisement

IF YOUR TENDENCY TO CONSTIPATION IS INCREASING...READ THIS NOW!

PLAIN FACTS! Many doctors warn that most purges and laxatives act on the entire 27 feet of your intestinal canal. However, constipation usually occurs only in the last 3 feet of bowels—with the result these laxatives often increase your tendency to constipation!
Beecham's Laxative Pills do not cause dangerous increase of constipation because they act chiefly on the "vital 3 feet"—not on the entire bowels. That's why many doctors recommend Beecham's Laxative ingredient! Beecham's Pills are gentle, thorough, all-vegetable. No shock, no strain, no overstimulation!
Tonight, promote that happy feeling of regularity—try reliable Beecham's Laxative Pills. Tomorrow feel great! Buy at your druggist's—only 10c, 25c. Caution: take only as directed. Satisfaction guaranteed or maker will refund your money!

WE HAVE THE TIRES PROVED BY 3 BILLION MILES
How good are synthetic tires? Users' experience with B. F. Goodrich Silvertowns gives you the answer

Hundreds of thousands of B. F. Goodrich all-synthetic Silvertowns have been sold to essential drivers. By the most conservative estimate, these tires have already rolled over 3 billion miles.

Hundreds of these drivers have taken the trouble to write in and say what they think about all-synthetic Silvertowns. Complete satisfaction is expressed by most. Others are convinced that all-synthetic Silvertowns will give at least as good service as pre-war tires.

So, if you are eligible for new tires, see us at once. When our thorough inspection shows you can qualify, we'll fill out and handle your application for B. F. Goodrich Silvertowns—the tires of proven performance!

Yes, son, not a single day will pass from now on while our men are hammering out the Victory that will assure you your American Heritage of Freedom, but what you will be learning that your own right to life, liberty and the pursuit of happiness, can be secure only if you guard it for all others. This is the principle on which our nation was founded, the principal vain dictators sought to destroy, the principle that prompts your dad to put every dollar he can into War Bonds, to preserve freedom for you and your children.

A MESSAGE TO DAD AND MOTHER . . .

Next week you will send your boy or girl BACK TO SCHOOL. That puts a strain on the family budget. But think twice before you sacrifice War Bonds to the needs of the moment. They are your investment in your child's future. Held to maturity they can help him to a higher education.

Form Bowling League Here

The Conshohocken Industrial Bowling League was officially formed last evening as a result of final approval given to the organization by industrial representatives and team captains during a meeting held in the Mary Wood Park House.

The league has been formed through the combined efforts of the Norristown YMCA and the Manufacturer's Association of Montgomery County as one of their joint efforts in the industrial athletic field.

Industries represented at the meeting and ready for action when the league gets under way on Monday September 18 and Friday September 22 included: Alan Wood Steel with Francis Costello and Clarence Reynolds; Walker Bros., Edward Cardome; Hale Fire Pump; Hardwood; Reilly Chemical Products and Walton Co., Daniel S. Whitman; Glassine Paper Co., Watson Beecher; W. C. Hamilton and Son, James Trull; Merion Worsteds Mills, John Baumgardner; Quaker Chemical Products Corp., James B. Jones; Lee Tire and Rubber Co., Pete D'Alessandro; Phila. Steel and Iron, Joseph Lawler; John Wood Manufacturing Co., William Finley.

The twelfth team is expected to be either Kimble Glass or Moser Plant Works, while any industrial plant in the Conshohocken area is eligible to place a team in the league. Contact is asked to be made with Walter E. Thomas at the Norristown YMCA.

Officers elected for the coming season include: president, James B. Jones; recording secretary, James Trull; treasurer, Francis Costello and publicity director, Walter E. Thomas. All games will be bowled at the Conshohocken Bowling Academy with each team sanctioned by the ABC for the full season.

THE RECORDER will be mailed twice each week to any U. S. Army Camp for \$2.00 a year.

EVERY KIND OF WEDDING INVITATION OR ANNOUNCEMENT FROM EXPENSIVE GENUINE ENGRAVED style to attractive printed style at extremely low cost. Quick delivery on printed styles. Stop and see them at the RECORDER, Hector and Forrest, Phones 50 and 501.—Advertisement.

Title at Stake In Local Loop

The second half title in the Conshohocken Industrial Softball League will be at stake when Lee Tire and Alan Wood face each other in Monday night's game on the Lavino Field.

The Iron Workers are in first place with a perfect score of seven consecutive victories while the Tire Makers have a record of six and one. Should Alan Wood come through victorious they will clinch the title. However, should Lee Tire win they will draw up an even-tempered with the leaders and a play-off will be necessary to determine the winner.

Both teams have played consistently good ball all season and while Alan Wood succeeded in defeating Lee Tire in the first half schedule there is no assurance they will repeat this performance on Monday night. The Tire Makers realize they will have their work cut out and will use their strongest lineup. Alan Wood, likewise, will be at full strength and will throw in their star pitcher, Lacata, one of the best softball hurlers in this area, to do the mound duty.

Other games on Monday night will be as follows: John Wood will oppose Philadelphia Steel on the

Child Awarded to Mother

Grandparents of Paul H. Kane, five, having failed, according to Judge William F. Danneberg, to prove alleged unfitness of the child's mother, Helen H. Kane, to have his custody, the child is awarded the mother in an order signed today by the court.

The petition came before the court on Monday night. Mr. and Mrs. Raymond F. Kane, Chain street, who contended the child should be awarded them, principally under the terms of an agreement signed by them and the mother, under which custody was given of the child's father, Paul Kane, from overseas.

Mrs. Kane, the mother, however, told the court yesterday she signed the agreement only on demand of her mother-in-law and did not realize its full content at the time she signed it.

Under the court's order the child will remain in custody of the mother now residing on Township Line near Whitehall road. West Norriton, with a sister. The grand-

Child Awarded to Mother

parents are given the right to have the child at their home twice a month between the hours of 10 a. m. and 7 p. m., the days to be fixed by agreement of the parties. If they are unable to agree, the matter is to be referred back to the court to have these times fixed.

REGISTRATION OF VOTERS
A total of 206 Republicans, 44 Democrats, 13 non Partisan and two Socialists were registered Wednesday for the November Presidential election.

Exclusive With BLOCK'S

GOING-BACK-TO-SCHOOL APPAREL FOR STYLE WISE STUDENTS . . .

"Shortee" is the name, and it's every fellow's coat. Vital statistics are the knee length, side vents, tab sleeves, Highland Trim, inside book pocket.

Under-Grad is famous for sportswear. For fine unusual jackets and slacks. They're new . . . they're colorful.

Here's another coat for fellows who want a clothes thrill. It's Grad Bal with the original Kick collar, the free-swing sleeves, the University length.

The nice looking well dressed boy, telling you that Under-Grad Clothes are 100% correct, is wearing the Cornell model with the extra ticket pocket, the inside pen and pencil pocket, the perfectly tapered trousers. It's an Under-Grad style treat.

BOYS' RUGBY SUITS	UNDERGRAD SUITS	BOYS' KNICKER SUITS

Sportleigh

THOROUGHbred

CLASSICS

In every respect, Thoroughbred Classics for Fall 1944 measure up to Sportleigh's traditional thoroughbred standards of styling, tailoring and detailing. The Suede-leigh Chesterfield, as illustrated, is glorified with the Sportleigh characteristics—of graceful, generous lines and the distinctive details of slash pockets and welt seams.
