

18,000 Cars Park On 5 Lots Wm. MacDonald Memorial Fund Is Launched

Logan M. Bullitt 3d gave a financial report at an annual meeting and election of trustees of the Chestnut Hill Development Group recently at the Chestnut Hill Community Center, 8419 Germantown Ave.

He said the group had a balance on hand of \$1,811 after taking in dues of \$13,050 and spending various sums publishing the Chestnut Hill Local, landscaping, office expenses and other items.

Russell H. Ferrier, chairman of the Chestnut Hill Parking Co., said for the first time the parking lots had been operated at a profit. The balance was listed at \$646.

In previous years, he said, the company had been run at a loss.

He announced the profit would be used to repave lot 2 and that plans are now ready to go ahead on lot 6 behind Germantown Ave. in the 8500 block west. It will accommodate 60 cars and work is expected to begin in 30 days.

He said that 18,000 cars had used the parking lots in 1958 the first year, and 118,000 in 1959.

Ferrier added that the Development group would borrow money to repay the parking company \$2,882.

In previous years, he said, the sale of parking company stock. The parking company would in turn use this money to fix up lot 6. A sum of \$2045 also remains to be collected parking company stock.

It was announced that William Dwyer would head a committee on consumer credit for the benefit of local business people and that John E. Warner, Russell H. Ferrier and Logan M. Bullitt would form a committee to collect bills.

Members were asked to contribute to a memorial fund for William MacDonald which will be used in planting lot 6.

Eli C. Schmidt, chairman of advertising, announced that there had been no decision as to printing a spring catalogue.

St. Peter's Unveils \$140,000 Addition At 11 A.M. Sunday

The Rev. Leslie D. Conrad, executive secretary of the Luther League of America, will be principal speaker at a service of dedication at 11 A.M. Sunday at historic St. Peter's Evangelical Lutheran Church, Barren Hill, on the occasion of the opening of an enlarged house of worship situated on the west side.

The Rev. Harold P. Doebler, pastor, will officiate. Open house will take place from 1 until 5. Norman H. Woolley is chairman of the building committee. The congregation pledged \$140,000 to pay for the addition during a "venture in faith" campaign last Spring. Albert W. Pisch is president of the church council.

The original St. Peter's church was started in 1761.

The second church was built in 1849 and stood until 1899, when it was destroyed by fire. There are present members of St. Peter's who worshipped in its destruction.

In 1900 the third church was started. It was dedicated in 1901. "This is the building that has been renovated and enlarged to meet the spiritual needs of a growing congregation (Continued on Page Eleven)

Pedestrian Hit By Motor Car Eva Lasota Injured Near Her Home

Eva Lasota, 67, 21 W. North Lane, Plymouth township, pedestrian victim of a Saturday afternoon high-way accident, was reported in satisfactory condition on Monday at the Montgomery hospital at Norristown.

Mrs. Lasota, who was struck by an automobile at 3:15 P. M., as she attempted to cross North Lane, suffered possible fractured ribs, spine injuries, and possible fractures of the left elbow and right leg.

She was taken to the Montgomery hospital by the hospital ambulance and given emergency treatment by Dr. Morris Jenkins.

According to Officers John Volpe and Frank Mancini of the Plymouth police, Mrs. Lasota was struck by a 1958 Chevrolet driven by Carmela LaMacchia, 19, 119 W. 5th Ave., Conshohocken.

Miss LaMacchia was driving west on North Lane, police reports indicate, when Mrs. Lasota alighted from a taxicab on the right side of North Lane and attempted to cross the street.

Miss LaMacchia told police, "I saw the woman run in front of me. I jammed on the brakes and swerved to the left. I don't remember hitting her."

Traffic Lights At Germantown Pike, Plymouth Rd. OK'd

A permit has been granted by the state department of highways for traffic lights at Germantown Pike and Plymouth Rd., Plymouth township, but lights have not been installed.

The township requested the lights and a permit was granted a month ago by Park H. Martin, secretary of highways. Both roads are state-owned, but the township will pay for installation and operation of the lights.

Robert L. Townsend, township secretary, was notified that vehicular and pedestrian actuated type signal controls are to be installed.

This signal will remain green for traffic on Germantown Pike until a vehicle crosses an actuator in the other roadway.

Pedestrians will operate the lights by pressing a button.

For a Future Teacher, Faculty Sponsors Dance

A dance sponsored by the Whitefish Township Elementary Teachers' Assn. will take place 9-11, April 3 at Whitmarsh Valley Country Club.

Sunny Bonbons will provide music for dancing. Proceeds will go toward a scholarship for a deserving student of Whitmarsh township electing to follow the profession of elementary school teaching.

Tickets are available from Whitmarsh Township School District teachers.

Weeds Minor Problem Too —After 7 Months Nobody Knows How to Solve It

Another chapter in the "war of the weeds" was written Monday night as commissioners of Plymouth township publicly reviewed their seven-month, serialized saga of differences with the Plymouth school board over weed removal from school held property — and then decided they had better meet with the school directors.

The commissioners, armed with weed control ordinance, have resisted since each last fall that the school board take action to clear weeds from unimproved lots they hold.

The school directors, to date, have refused to take such an initiative, arguing their holdings are not clearly defined as to boundaries.

One recent suggestion made by the school board was that the lots be burned off by the fire department.

The idea was not too well received by the commissioners.

"The fire department doesn't start fires — it puts them out," Bernard Hoffman, fire commissioner, maintained.

"Besides, they're a volunteer group and should not be charged with the expense of such a service or be held responsible should damage occur to surrounding properties — nor is the township going to assume such responsibility."

If the township was going to enter into such an agreement, Hoffman cautioned, it would be necessary to secure responsibility releases from abutting property owners.

Smith Backed For Supervisors 3 Also Endorsed For School Board

Republican candidates for township offices were endorsed by the Whitmarsh Township Republican Committee at a meeting in the township building Thursday night.

Axel H. Swanson Jr., president was in charge. Seven of the sign-committee people in the township were present.

Geoffrey S. Smith Jr., of White-marsh incumbent, was slated for supervisor and Frank Wiechec, of Cold Point, incumbent, for auditor.

John Fetter, incumbent, and W. J. Wozner and Carl Buckholtz were endorsed for school directors. In addition to Fetter, other directors whose terms are expiring include C. Rush Barr Jr. and Mrs. Ann M. Wildemore.

Swanson is an executive in the Montco food firm, King of Prussia. Wiechec is trainer for the Phillies and the Eagles.

The committee also adopted a resolution endorsing the ticket backed by the Republican County Organization.

Swanson reported that a "Meet the Candidates" committee will take place May 12 in the Barren Hill Fire house.

Garthwaite Chairman Of Committee Backing Judge Arnold Forrest

A primary campaign committee to support the candidacy of Judge E. Arnold Forrest for reelection as Judge of the Common Pleas Court has been formed with Albert A. Garthwaite Jr., president of Lee Rubber and Tire Corp., as chairman. It was announced Tuesday.

Other officers of the committee are Leland W. Hovey, an executive of Lee Rubber and Tire Corp., treasurer, and Bernard Fischer, of 228 Church Rd., Ardmore, a business executive, secretary.

Garthwaite said the sole purpose of the committee is to work for the nomination of Judge Forrest at the primary on May 19.

Judge Forrest, a Republican, has been endorsed by both the Republican and Democratic County Committees.

He plans a special trip to Harrisburg tomorrow to file his nominating petitions personally with the State Board of Elections.

Judge Forrest has been on the bench since 1949 when he was elected with unanimous backing from both political parties. He served as District Attorney from 1947 until he became Judge.

In addition to his regular official duties, Judge Forrest has presided in Juvenile Court since the retirement of Judge Ten.

Little League Fund Drive Here Saturday

Conshohocken Little Leaguers, who put the town back on the sports map last year by nearing the state finals of the Little League "world series," will conduct a fund-raising drive Saturday.

Ray Gravinese, hard-working committee member, and "Big John" Castelli, equally enthusiastic about providing wholesome recreation for boys and bringing the borough a top sports program, are appealing to fans and the general public to "chip in" generously.

Boys who will play in the league will tour the town door-to-door in uniform.

The committee needs \$1,500 to defray the expense of getting the new diamond in shape at Sutcliffe Park. A fence now surrounds the field, a backstop is going up and the diamond has been laid out in his league style. Cost of this was \$1,460.

More is needed to buy sod, rip up dugouts and buy the usual equipment, uniforms, bats, balls, bases and catcher's paraphernalia.

Last year the Conshohocken all-star team won the district championship and went into the regionals, flirting with the state series at Williamsport.

Remember the Little League slogan Saturday and help combat juvenile delinquency: "A Diamond is a Boy's Best Friend."

Pension Plan Urged in '59

Approval of a pension plan for employees of Plymouth township was urged Monday night by Commissioner Lee M. Whetstone at a meeting of the board of commissioners of Plymouth township.

Only the police currently are provided with a pension plan.

Whetstone's recommendation for acceptance of such a plan followed receipt of a letter from Attorney Richard Lowe, a member of the township municipal pension committee, in which he submitted three studies of alternate plans.

Whetstone told his fellow commissioners he recommended consideration of the plans and suggested that it might be included in the coming year's budget.

Cost to the township of a pension plan for the township's approximately 18 eligible employees, on a 50-50 basis, was estimated by Whetstone "in the neighborhood of \$2,500 a year."

Washies' Collect \$2600 in Drive Fire Interrupts

Washington Fire Co. has realized \$2,600 since Saturday in their \$5,000 fund drive to pay for a new engine to be delivered in two weeks.

Ted Lesinski Sr., drive chairman, said today he expects the drive to go over the top before delivery of the truck. He said contributions are being received by mail and firemen will make call backs Saturday for added contributions.

The fund drive was interrupted Monday night when an alarm sent the firemen touring the borough on engines to the home of Mrs. Cochran, of 352 1/2 W. Sixth Ave. Fire set exploded, destroying the set and causing fire to scorch the walls of the living room.

Police Chiefs Of County to Hold Banquet

Edgar E. Mitchell, chief of police of Whitmarsh township, will be host at an annual banquet of the Montgomery County Police Chiefs Association Saturday night next week at Whitmarsh Valley Country Club.

Chief Mitchell is completing a year as president of the association.

Board Fires, Hires Janitor George Wood Replaces Samuel Laskey Jr.

George S. Wood, of 429 E. 10th Ave., was named janitor at the new Hervey S. Walker Elementary school, Third Ave. and Harry St., at a meeting of Conshohocken School Board Monday night. Salary was set at \$3,000 a year.

The former janitor of the grade school, Samuel Laskey Jr., of 403 E. Elm St., charged he was treated unfairly when he was discharged by Edward W. Gernmann, superintendent of schools.

Laskey, who has three children attending Conshohocken public schools, said he was notified recently by Gernmann that his services were no longer required. Laskey said he was hospitalized with a broken ankle and had lost other time from work through illness, but felt this should not be used as basis for his discharge.

"I'd like to know why I was fired?" Laskey demanded of the board. The Board voted to meet as a committee of the whole to investigate Laskey's charges.

Nicholas J. Romano, board member, told Laskey the board had taken the action as a whole and not Gernmann alone, although the superintendent, it was pointed out, has executive authority to do so.

Mrs. Anita "Talone" Woodruff, daughter of Mr. and Mrs. Anthony Talone, of 136 W. 11th Ave., was appointed commercial teacher at the high school at \$3,600 a year. Mrs. Woodruff, who taught two years in Enid, Okla., and has been a substitute teacher for a year in Conshohocken schools, will assume duty in September.

Dr. Russell Ebb, board president, reported lack of "school zone" signs at Seventh Ave. and Fayette St. in front of the high school. The matter was referred to Burgess James Mellon.

Rescue Squad Dinner Saturday

A dinner will be held at 6:30 Saturday by the rescue squad of Washington Fire Co. in the engine house, W. Hector St.

A representative of the American Red Cross first aid training program is expected to attend. Kenneth Chabaud is president of the rescue squad. Robert Elam is dinner chairman.

Clement Monacelli, president of the Fire company, will present awards to members who attended most fires in 1958.

Joint Sewer Authority Created by Plymouth, East Norriton Townships

An East Norriton-Plymouth Joint Sewer Authority, to be charged with the construction and maintenance of a sewer treatment plant to serve both townships, was created Monday night by action of the board of commissioners of Plymouth township.

The existing Plymouth Municipal Authority in the future will be held responsible only for the administration of the township sewer collection system, it was decided.

Three members from each township, for a total of six, will make up the authority. Two members will be appointed to serve five years each, and the four remaining members will serve varying terms of one, two, three and four years each.

So that each township may be equally represented, it was agreed that one member from each township would be appointed for a five year term; the four year and one year terms would be filled by one township, and the three and two year terms by the other.

William Davis, of 18 Terrace Rd., was appointed to the joint authority by the Plymouth commissioners Monday night. The other Plymouth members, previously appointed, are Louis Farenite, 1307 E. Main St., and Frederick Leopold, 121 Keys St., Harmonville.

Tax Up 6 Mills; 24 in '59

\$229,469 Budget
Adopted by Council;
Tax Vote Is 8 to 6

A budget of \$229,469.47, based on a tax rate of 24 mills, an increase of six-mills, was adopted formally by Conshohocken Borough Council last night. The vote was strictly along party lines, the Democrats winning 8-6.

The six-mill increase means an additional \$34,140 should be realized in property tax revenue. The per capita tax is expected to bring more than \$25,900, about the same as last year.

Councilman Elmer Munro, finance executive at John Wood Co. questioned the figures of Ernest Pettine, chairman of the budget. (Continued on Page Eleven)

'Council Wouldn't Give 5 Minutes Notice' Says Veteran in Explanation

Conshohocken Borough Council, floundering in dire predicament in recent months and facing what might be a more disastrous 1959, found the borough will be perhaps in its worst shape in more than 20 years when Joseph Quinn, borough secretary nearly 27 years, resigned his post last night, effective Monday.

During the same grueling four-hour meeting, the council voted 8-6 that Chief of Police Walter Phipps be "forcibly" retired as of March 31 by an 8-6 vote after passing an amendment to the police pension fund ordinance requiring that officers with 20 years service who have reached 61 years of age "shall be retired."

Council "fired" Phipps last July but had to reinstate him with back pay of more than \$2,000 in December after his son, Attorney Walter Phipps Jr., candidate for the Republican nomination as district attorney, took the case to court and won on the grounds his father was let go illegally. The vote on "retiring" Phipps,

who may have legal grounds to receive full pay as chief of police until Dec. 31, was:

Yes — Brunil, Costello, DiIosia, Kelly, McCann, O'Connor, Pettine and President Burns. No — Best, Desimone, Firestone, Munro, Snow and Zadravsky.

Quinn, the "watchdog" of the Conshohocken pocket-book for the last two decades and "the best friend a borough ever had," submitted his resignation at midnight without giving reasons for doing so. He has been known to present and past councilmen, former burgesses, other borough officials and, most notably, to reporters, who pass out on what goes on before their eyes, as a man who did a job hardly any other man can or would do, all in the interest of the people of Conshohocken.

Even the 15-member council was shocked when Quinn read his brief resignation: "It herewith tender my resignation as borough secretary effective March 16."

It gave the councilmen an obvious jolt and caused them to (Continued on Page Eleven)

Scouts Earn Camperships With Cookies

Three area girls earned full camperships during the recent Girl Scout cookie sale, according to Mrs. Charles E. McGlashen, chairman of Central Montgomery County project, with 113,100 boxes sold by 2,827 Girl Scouts in 132 troops. Again this year, the girls have exceeded their quotas, she announces.

Camperships go to Phyllis Dugas, troop 86, Conshohocken, with 439 boxes; Barbara Reams, troop 22, Conshohocken, 235 boxes and Sharon Raquet, troop 181, Whitpain, 202 boxes.

Six full camperships were won by: Carol Petrecek, troop 82, Whitpain; Theresa Schultz, troop 66, Spring Mill-Miquon; Susan Hunt, troop 14, Plymouth township; Carol Palac, troop 47, Plymouth township; Evelyn Bogdanowski, troop 86, Conshohocken and Mary McCarron, troop 181, Whitpain.

In the county council, 102 troops will receive ribbon awards for attaining quota; every troop participating will receive a troop certificate.

Besides the camperships, each troop receives funds from cookie sale for troop equipment and program aid; further aid for facilities goes to Camp Kiwanis and Camp Innisfree and promotion of the general scouting program, Mrs. McGlashen says.

MR. and MRS. JOSEPH GALASSO

Mary DeBona Is Bride Of Conshohocken Man

Miss Mary DeBona, daughter of the late Michael DeBona and Mrs. Stefania DeBona, 4001 Cresson St., was the bride of Joseph Galasso, son of Mr. and Mrs. Pasquale Galasso, 238 W. 7th Ave., Conshohocken on February 7 in St. John the Baptist Church, Manayunk. The Rev. William E. Pope, officiated.

Given in marriage by her brother, Joseph DeBona, the bride was attired in a lace-trimmed gown with pleated nylon. She wore a fingertip veil and pearl crown.

Miss Betty Jane Sowinski, 131 East St., was maid of honor and wore a periwinkle blue dress with sapphire neckline. The top of the gown was of Chantilly lace and the bottom was of Nylon organza and street-length.

The bridesmaid, Miss Joan Imstrik, 149 1/2 Shurs Lane, cousin of the bride, was attired in agown of baby blue shade and fashioned on the same lines as the gown of the maid of honor. Both carried tiger lilies.

Carmen Galasso, of Norristown, brother of the bridegroom, was best man. Joseph DeBona, of Narberth, cousin of the bride, was an usher.

Miss Anne Gallagher, organist, furnished the music for the wedding. A reception was held at Baum Gardens for 100 guests.

After a two-week trip to Florida, the couple are living at 4147 Ridge Ave.

The bridegroom works as a contractor in Conshohocken.

Anti Rogers To Sketch Fair Patrons

A gala PTA Fair is set for May 23 on the grounds of Spring Mill Consolidated school, according to Robert V. Renner, sixth grade teacher, in charge of publicity for the event.

Chairman of the committee for the fair is William Wolfsteld. He has appointed these committees: Plant and white elephant tables; Mrs. Norma Baker and Mrs. Virginia Hague; handwork; Mrs. Beth Barrows; books; Mrs. Charles F. McDonald; faculty booth; George W. Byrne, principal.

Home-bake table, Mrs. Ann Smith; Mrs. Lola Frankensfield and Mrs. A. Lefkoe; rides, Axel H. Swanson Jr., Ralph V. McKeivley and Jack Elliott; fish pond, Mrs. Harry Grant; toss games, A. Lefkoe; kitchen, Mrs. A. Victor Ohlson and Mrs. Betty Swanson.

A new feature this year will be artist Mrs. Adair Rogers of Harris Lane, Miquon, sketching children and parents who sit for their portrait at her booth.

Among rides scheduled to amuse the youngsters are pony and merry-go-round.

Donations of white elephants, handwork, books and other articles will be picked up by a member of the committee when calls are directed to the school, a spokesman said.

Gen. F. C. Croft To Be Honored By Marine Unit

Brig. General Frank C. Croft, commander of Marine Corps Air Reserve Training, will inspect the Marine honor guard and organized reserve units March 13 and 14 at the Willow Grove naval air station.

GEN. FRANK C. CROFT (Official U. S. Navy Photograph)

General Croft will receive honors at a ceremony at 5 P. M. March 13 and will inspect the reserve units at 3 March 14.

General Croft, a veteran of three World War II campaigns and post-war staff duty with the Allied Forces in Southern Europe, is serving at the naval air station, Glenview, Ill. Prior to this command, he served in the Far East as assistant commander of the First Marine aircraft wing.

A 1928 graduate of the U. S. Naval Academy and a Marine Corps flyer since 1930, the general served on expeditionary duty in Nicaragua and with a Marine squadron aboard the aircraft carrier Lexington during the early '30's. In World War II, as air officer on the staff of the commanding general, Third Marine Amphibious Corps, he saw action at Guam and Peleliu, winning the Bronze Star medal with Combat "V" for meritorious service at Guam. There, in addition to his duties as Third Corps air officer, he was commanding officer, landing force support aircraft. He served at Florence, Italy from Dec. 1941 to April, 1953, as plans and operations officer on the staff of the Allied Air Forces in Southern Europe.

Public Scale Gone, Lubrication Pit on Way

A landmark for 25 years has fallen to modernization.

MacMaster's Gulf-Prestone Service, 6310 Ridge Ave., has removed their huge public scale to make room for a new lubrication pit, to be housed in a modern building William H. MacMaster, proprietor, said construction will begin in the Spring.

County Spelling Champ Repeats

Robert Crossley, pupil at St. Helena's school, Center Square, Conshohocken High school, defending champion, again will compete in the Montgomery County spelling bee April 17 at Norristown.

Robert, 15, won the county title and finished 14th nationally in the national bee in Washington, D. C. last year. He was scheduled to appear on "64,000 Question" tv show before it was discontinued last year.

His maternal grandparents are Mr. and Mrs. Thomas Rowe, of Robinson Alley, Conshohocken.

Children have been rolling Easter eggs down the White House lawn since 1878. According to The World Book Encyclopedia, Presidentutherford B. Hayes started the custom.

INFLATION....

...just an "Indian Giver"

Not only is inflation an "Indian giver"—he's a pickpocket to boot.

Under inflation you think you get a few more dollars in pay. But then you go to spend them. Now you find that inflation has already taken back those dollars!

Inflation is caused by a lot of things. But one of the most important is rising labor costs without a substantial increase in the nation's productive efficiency. The reason: 75 percent or more of the final cost of what you buy goes for labor.

It's kind of a chain reaction. With each round of wage and price increases, your dollars lose another chunk of purchasing power.

If things keep on this way another twenty years—or ten—or five—what will happen to your savings, your insurance, your pension plans, your children's education?

Isn't it time to stop this spiral of inflation that eventually robs you of your future security?

The American Iron and Steel Institute brings you this message from the steel industry because

Inflation robs us all

Incinerator Tract Probe Is Refused By County Courts

The Court of Common Pleas of Montgomery county in an unanimous opinion on Monday rejected a petition filed by District Attorney Bernard J. DiJoseph requesting approval of an investigation by a special grand jury into alleged irregularities the district attorney thought might be connected with the purchase of a tract in Spring Mill as the site of a combination incinerator and sewage disposal plant. The plant, considered a model in Pennsylvania and throughout the nation, is about to go into operation. Test runs are taking place daily.

The court refused to permit a special grand jury investigation, asserting the district attorney had not made out a strong conspiracy case and the court could not sanction a "fishing expedition."

DiJoseph had petitioned just a month ago for a special panel to help him ferret out evidence concerning the township's paying more than double the original purchase price for a 44-acre site on which an incinerator and sewage disposal plant already is under construction.

The prosecutor went to work on the case some nine months ago after indignant citizens meetings had raised the question whether some public officials may have had a part in the original purchase of the land at Joshua and Cedar Grove Rds. in 1956 for about \$2222 an acre. It was sold to the township eight months later for \$4800 an acre.

In Monday's opinion, President Judge William F. Danneher and Judges Morris Gerber, David E. Groshens and E. Arnold Forrest held that they could find nothing in DiJoseph's petition warranting a special investigating grand jury.

Such an inquiry, they said, would in the circumstances involve great expense and subject citizens called before it to "suspicion, criticism and attack, thus undermining public confidence without reasonable cause."

The text of the judges' ruling: "On February 7, 1959, the District Attorney filed his petition for a special investigating Grand Jury alleging, inter alia, irregularities, wrong-doing and a crime on the part of certain public officials of Whitemarsh Township relating to the crimes of malfeasance, misfeasance, non-feasance and conspiracy; that one cognate crime was committed by one township official; that a citizens' committee had petitioned the District Attorney for an investigation; and that the District Attorney has caused an investigation to be made during the past nine months and is unable to uncover the major portion of these alleged offenses with sufficient particularity and definiteness to warrant criminal prosecutions without the aid and assistance of a special investigating Grand Jury."

"The Court has carefully considered all the allegations in the petition and can find nothing which we believe warrants us to call into activity the extraordinary inquisitorial and accusatorial powers of a special investigating Grand

Jury, which involves great expense, subjects the citizens brought before such a body to suspicion, criticism and attack, thus undermining public confidence without reasonable cause.

"The matter of calling into action the extraordinary powers of the Grand Jury as an investigating body has been considered by our Appellate Courts in the following cases: Commonwealth vs. Hubbs, 137 Pa. Sup. Ct. 29, and Petition of McNair, 224 Pa. 48.

"The gist of the opinions in the foregoing cases is that the purpose of a Grand Jury investigation must be to discover criminal acts which seriously affect or injure the general public and which, if permitted to continue, would endanger public safety or health or demoralize the personal security of members of the public, or permit systematic criminal depredations by public officers, and they must be such that the ordinary processes of law are inadequate to cope with or discover them. Furthermore, the Court, in order to permit or institute such an investigation, must have definite knowledge from trustworthy sources of criminal acts which form a series of crime, which is intended to be suppressed, with at least one specific crime charged as a part of the system of such related crimes. The investigation may not be aimed at individuals primarily, as such, nor at the commission of ordinary crimes, nor may it be a blanket inquiry or fishing expedition to bring to light supposed grievances or wrongs for the purpose of criticizing an officer or a department of government. The Grand Jury must not be called to set out on fruitless searches, founded upon mere rumor, suspicion, or conjecture, but there must be a sound, solid and firm basis on which to proceed.

"In refusing to submit the matters complained of by the petitioner to a Grand Jury for investigation, he is not without a legal remedy. As the chief prosecuting officer of the County, if he has obtained evidence of criminal activity on the part of any officials of Whitemarsh Township or others, he may have recourse to the usual criminal process and take such steps and adopt such means as may be reasonably necessary to enforce the laws of the Commonwealth.

"AND NOW, March 9th, 1959, for the foregoing reasons the prayer of the petition is refused and petition dismissed.

Signed by President Judge William F. Danneher; Judge E. Arnold Forrest; Judge David E. Groshens; and Judge Morris Gerber.

Science Fair Opens April 1 At Ursinus

Four-Day Program Set Up at College For Area Students

The second annual Montgomery County Science Fair for junior and senior high school students in the county's public, parochial and private schools will run from April 1 through April 4 in the Ursinus College gymnasium in Collegeville.

Who is going to pay for it? A lot of people are. The science teachers themselves are going to help by giving up their time to guide students, to attend a whole host of meetings, to conduct the fair itself. That's a big contribution.

Students are going to help pay for it. They must bear the burden of expense involved in the building of the exhibit and exhibit tables, etc. for that. An exhibit is the student's own work, from initial planning to final development.

Ursinus College is helping by making the exhibit hall and utilities available. Ursinus is removing a major item from the budget.

Local business and industry is helping to help pay for it. Many firms are contributing funds to make possible the assorted items needed to run the fair—awards and prizes, programs, tarpulins to protect the floor, rental of exhibit tables, etc.

Judges—three in each category—are helping to pay for it by giving their time without thought of compensation. Two thirds of the judges will come from the field of education, colleges and universities, schools, etc., and one third will come from industry.

It takes the willing cooperation of a lot of people to make a Science Fair successful. What do they hope to gain by it?

Well, the teachers hope to be better teachers as a result. One of the basic rewards of teaching is watching a good student develop, realize his potential, and take his proper place in society.

The students hope to learn more to live up to the hopes and plans their teachers have for them. The Science Fair can help them chart their future course to college. If that is indicated, to a satisfying job otherwise.

Ursinus College? Education is a way of life, and a good college encourages education and personal development wherever it can.

What about business and industry? Are they looking for publicity? Hardly. Their support comes through the Manufacturers' Association of Montgomery County, and the individual company makes its contribution under the Association's banner.

They hope to gain much more. They want the individual student to realize his full potential, for he will be the company president or the vice president in charge of research tomorrow. Or perhaps he will be the employee with a prize winning suggestion for doing things a better way. There are opportunities in every level, but the individual must be prepared to respond.

And the judges who come from many of these groups get an additional measure of satisfaction from knowing that their decision means a just reward for a job well done.

HAM BONES MAKE DELICIOUS SOUP
Betty Burk, Home Economist for the Louis Burk Co., suggests a delicious way to use that leftover ham bone you'll need a large sauce pot with a tight fitting lid to prepare this recipe plus:
3 medium sized carrots, sliced 1/2 medium sized onion 1 ham bone, cracked 1 qt. water 1/2 cup split peas 1 tsp. salt 1/2 tsp. Accent 1/2 cup milk 1 tbsp. sugar
Wash and pare carrots into 1/4 inch slices; finely chop the onion. Take the cracked ham bone and wipe with a clean, damp cloth. Put the bone into sauce pan with 3/4 qt. water. Cover pan and slowly bring to boiling. Place thoroughly and sort by cup split peas, 1/2 cup milk, 1/2 cup boiling water and skim off foam. Place carrots and chopped onion into pan and when bring water to boil. Gradually add peas so that boiling will not stop. Next add salt, Accent and pepper. Cover and let simmer for about 2 1/2 hours. While that is being done, prepare and set aside Crostons.
Ground ham bone. Mix slightly beaten egg yolk and 1 tablespoon of oil. Put a well about 2 tablespoons of hot soup into this mixture and stir constantly until thick. Add this to the soup. Do not overcook. Allow to simmer until thick. Blend into soup enough milk to achieve consistency you desire. Serve with the Crostons.
WIN A FREE EASTER HAM
Send your ham bones, recipe to Louis Burk Co., Dept. F-6, Girard Ave., & Fair St., Philadelphia, 23 Pa. For the best recipe received from the 2500+ ham bones, a ham will be awarded and a photograph taken. The ham for 2 or 3 minutes. Do not overcook. All returns must be postmarked March 14, 1959 or before.

The drama of Holy Week is one in which we are all cast. All of us have important roles — there are no extras!
Palm Sunday, Good Friday and Easter Sunday have different scripts, but each is based on faith and God's redeeming grace.
Perhaps the proclamation, "He is risen" is foremost of all New Testament achievement, the strength for meeting today's problems, the pinnacle for tomorrow's hope.
"He is risen" is the one lesson Russia most fears, while hiding from it, and the one lesson America most cherishes, while inclined to push it aside.
The resurrection is indicative of the present and ultimate defeat of God's enemies. They know it and tremble.
The resurrection is triumph over every petty device and over death itself. It is conclusive evidence that we should not strive to live in peace with Russia if it means living in infamy while Spring would mean gaining everlasting life and advancing the kingdom of God and His righteousness.
America's first concern should be to keep alive spirituality. Let no country ostracize in prayer productivity. Let our reliance be in the prayer message, not the guided missile; our target the throne of God.
God's enemies rarely admit they're wrong, less seldom that they're defeated. But they are doomed, nevertheless, just as they were at the mock trial of Jesus, the crucifixion and the resurrection.
There's no way to deal with enemies except the way David did when he killed Goliath: the way Judas dealt with himself after betraying Jesus.
All the enemies of God's people must perish, while the children of God dwell forever in the House of the Lord.
— Harold C. McCuen

Ensign Phillips In Navy Exercise

Ensign Clifford R. Phillips, son of Mr. and Mrs. Clifford P. Phillips of 237 E. 11th Ave., attached to Air Anti-Submarine Squadron 23, took part in an anti-submarine warfare exercise Feb. 16-19 off the coast of Southern California.

"Skynet," formed of vessels of the First Fleet and several units of the Navy Reserve was divided into two teams, the Blue defenses and the Purple aggressors.

The Blue surface and air forces were seeking to prevent the Purple force submarines from breaking through a 500-mile seaward barrier off the coast.

The exercise was conducted under the operational control of Vice Admiral R. E. Libby, commander of the First Fleet.

Methodist piled up 22 of 36 free throws in handing Balligo Baptists its first defeat, 54-43, in the Conshohocken Church Basketball League. Balligo had won nine straight.

Frank Allen dunked in six field goals and six fouls to lead Methodist with 19 markers. Wallace had 14 on two field goals and 10 fouls and McDonnell had 12 on four and four.

Balligo's Don Richardson had five and nine for 19 points. Episcopal squeezed by Presbyterian, 43-40, in another hard-fought tilt. Elzie Faust and Jim Kriebel with 18 each led the winners. Righter with 20 led Presbyterian.

Lutheran burned the cords for 24 field goals and only four fouls to topple First Baptist, 52-30. Kurtz with 24 and Allan with 20 paced the winners, while Yetter tallied 21 for the losers.

Trojans Meet Cleaners in Civic Playoff

Dean Nets 36 In Paydirt Game Against Painters

Trojan A. C. earned the right to play Town Valet Cleaners for the Conshohocken Civic Basketball League's 1958-59 championship by upending National Paint Center 88-72 at Fellowship House Tuesday night.

Erv Dean was "hot" as he netted 36 points. Al Scott contributed 19 and Ted Ellis 12 in winning effort. Win Dougherty rolled in 21 markers and Walt Kobrynski and Tom O'Donnell added 15 each for the Painters.

Town Valet won the title for regular season play when they outlasted National Paint 89-72 Friday night. Ike Monacelli and Dave Frachette totaled 43 markers between them to lead the Cleaners. Dougherty and Jack Kosek combined for 39 of the losers' points.

The championship series between Town Valet and the Trojans will be a best of three battle starting Tuesday. Game time will be 7:30 at Fellowship House.

Jack Kosek, of Paint Center, won the scoring crown in the league in a race which went down to the last quarter of the final game.

Kosek registered 471 points for a 17.1 average. Tom Priest and Don Richardson of the regular season titles. Town Valet, were a very close second and third with 168 and 164 points, respectively.

Top 10 scorers: Kosek, National Paint, 171, 17.1; Priest, Town Valet, 168, 16.8; Richardson, Town Valet, 164, 16.4; Win Dougherty, National Paint, 162, 16.2; Erv Dean, Trojans, 155, 15.5; Marv Pierce, Trojans, 153, 15.3; Ted Ellis, Trojans, 149, 14.9; Don Connelly, SS Cosmas and Damian, 138, 13.8; Len Pickel, National Paint, 130, 13.0; Dave Frachette, Town Valet, 129, 12.9.

Alumni Gathers At Homecoming Event March 20

Homecoming night takes place at Plymouth-Whitemarsh High school next Friday night, March 20, when graduates from classes of 1956, '57 and '58 will be welcomed for a gala time.

At 6:45, the girls' basketball team will stage a game with the Alumni team. At 7:45, the boys' team will play stars of former years.

After the games, Bill Wright, local disc jockey, will emcee a Colonial dance.

The Homecoming event is sponsored by the Home and School Assn. of the high school. The post-prom activities for class of '59 will benefit from the event.

Further information may be obtained from Ronald Landis, Miss Theresa Bizzanti or James I. Graham, at the high school.

This will be a family night to include children of all grades, par-

M. J. Kehoe Rites Tuesday Lay Principal of St. Matthew's School

Michael J. Kehoe, 73, of 15 Dechert Rd., Andorra Acres, long-time Conshohocken civic leader, businessman, outstanding Catholic layman and last lay principal of St. Matthew's High school, died Friday at Sacred Heart hospital after an illness of several months. He was the husband of the late Mary Walsh Kehoe, of Norristown.

As parochial high school principal, he achieved the unparalleled task of teaching lone-handed all four classes of students at St. Matthew's High school in every subject in the school curriculum, including such advanced ones as trigonometry and astronomy.

In 1904 he succeeded the late Bernard Corrigan as principal, continuing to 1915, when the faculty was replaced by members of the religious.

Mr. Kehoe was born in Conshohocken, son of the late John and Margaret (Blanche) Kehoe, on Aug. 30, 1885. He lived his entire life in this area. He was a graduate of St. Matthew's High school.

After retiring as principal of the school, he founded Kehoe Brothers hardware store at 109 Fayette St. From 1934 to 1945 he was field representative for the Home Owners Loan Corp., a government agency.

He was a vice president and member of the board of directors of Conshohocken Federal Savings and Loan Association and was affiliated with the hardware firm now operated by a son, John.

He was past grand knight of Conshohocken Council 1603, Knights of Columbus, and a Fourth Degree member.

He was secretary for many years of the Mary H. Wood Park Commission, which administers the business of the Mary H. Wood Park House, a community center; member of the St. Vincent DePaul Society and St. Matthew's Church.

Surviving are a daughter and three sons, Mary Elizabeth Kehoe, of New York City; Joseph W., Pittsburgh; John M., 13 Cedar Grove Rd., Andorra Acres, and Francis X. at home; a sister, Mrs. William A. Brady, 217 E. Hector St., and six grandchildren.

Funeral was held at Donald E. Moore Funeral Home, 15 E. First Ave., on Tuesday. Solemn requiem mass was celebrated at St. Matthew's Church. Interment was at St. Matthew's cemetery.

FUTURE BOOK — Miss Lucille Coley, right, executive director of Central Montgomery County Council, Girl Scouts of America, outlines summer program for area members at program Saturday marking movement's 47th anniversary at Plymouth-Whitemarsh High school auditorium. L. to r., front, Jo Ellen Obrecht, Peggy Paugh, Sue Leighton, who will attend national conference at Colorado Springs, Colo., in July; rear, Hannah Koldys, Debbie Sheppard, who will attend camp in area in recognition of work.

OFFICIAL INSPECTION — Group of parents and officials inspect new \$730,000 Hervey S. Walker Elementary school, Third Ave. and Harry St., at open

house recently. Classes opened Feb. 2. Building is first public school project in borough in 25 years.

AT HEAD TABLE — Attending annual achievement dinner held March 5 by scouts of SS. Cosmas and Damian Church are, l. to r., Guido DiCicco, committee chairman, Pack 423; Anthony Stumpo, assistant cubmaster; James DeProspero, assistant scoutmaster and Francis Manfredi, member of troop committee.

Authority

(Continued from Page One)
Parents' transfer from the local level authority to the joint body, created a vacancy on the month authority which was filled by the appointment Monday night of Irvin Stevens, 610 Launfall Rd., Plymouth Meeting.

Decisions on four other subdivision plans were held over to the next meeting pending recommendation by the planning commission.

The commissioners publicly lamented the fact that the planning commission did not hold to a regular meeting date necessitating such holdovers on subdivision requests.

Two bids were opened on police car rentals, but no awards were made. The bids for 10 cars for 12 months were \$2,100 and \$2,200.

The appointment of Robert A. Carpenter, 7 Skip Rd., E. Plymouth Valley, to the township park and recreation board was approved by the board.

The commissioners had been in receipt of a letter from the park and recreation board recommending William J. Fetherolf, 2127 Sierra Rd., Plymouth Meeting, for the post, but chose to ignore it.

Montgomery County GOP Primary Slate
Attorney Honeyman Gets Nod for Second Judge Nomination

The Montgomery County Republican Organization's Primary slate was completed last weekend with the slating of a candidate for Governor Pleas Court judge and two Lower Merion men for prothonotary and clerk and courts.

James Brinton, Merion a committee man, was slated for clerk of courts. These two Lower Merion men were slated only after the slate-making committee withstood further attempts by Lower Merion Republicans, through G. Ford Hansell, committee chairman, to have a candidate from that section slated for commissioner.

THE FULL TICKETS INCLUDE: Judges: James E. Staudinger, Atty. Honeyman, Commissioners: Warren M. Cornell, Jr., Hatboro, and William J. Boden, Pottstown, present recorder.

Recorder of Deeds: John S. Magill, White Marsh, present clerk of courts. Sheriff: Peter J. Reilly, Norristown, incumbent.

Speaker

THE REV. LESLIE D. CONRAD

Principal speaker at service of dedication Sunday morning at St. Peter's Lutheran Church, Barren Hill, the Rev. Leslie D. Conrad is a graduate of Lenoir Rhyne College, class of 1944, where he received his A. B. degree; Southern Lutheran Seminary, 1944, D. D. degree; Temple University, 1955, S. T. M. degree; pastor of St. Timothy Lutheran Church, Hickory, N. C., 1944-49; Holy Comforter Church, Belmont, N. C., 1949-50; executive secretary of the Lutheran League of America for nine years.

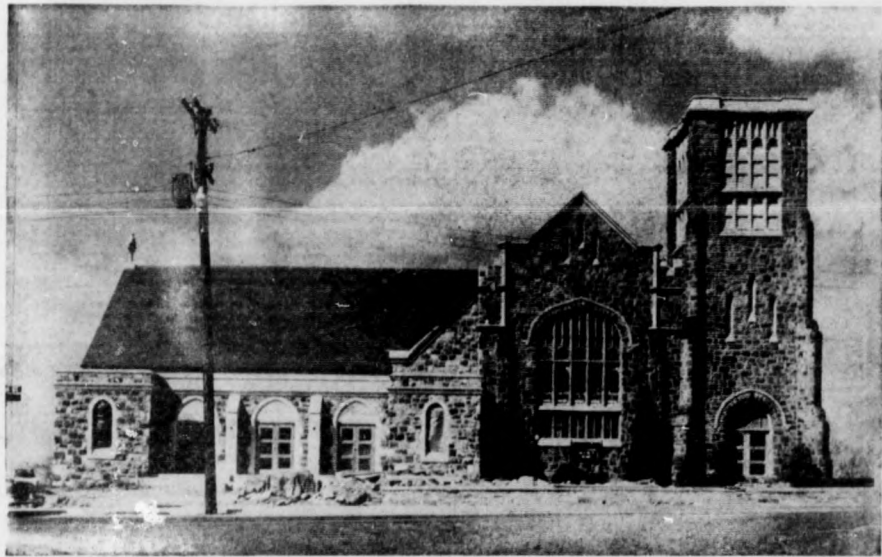

Marking the opening of our magnificent new \$140,000 addition — *Our Venture in Faith* — an auditorium seating 400 persons on the site of the historic shrine where once our forefathers actually shed their blood in combat with the enemy to establish the American way of life — to build and dedicate the foundation of our heritage — the site where

HENRY MELCHIOR MUHLENBERG
Founder of St. Peter's Church

was both pastor and soldier, helping to build, at gunpoint, a new country while proclaiming the virtues and wisdom of a Christian Way of Life that had, for many centuries, withstood the test of time.

"Keep your church in the forefront in your community," advises the Rev. Gordon Folkemer, pastor of St. Matthew's Lutheran Church of York, at dinner attended by 400 May 1 at St. Peter's Lutheran Church as congregation launches Christian Expansion program to obtain \$140,000 for proposed addition.

THE REV. GORDON FOLKEMER

A Message From The Pastor

Dear Christian Friends,

This year March is a really big month in St. Peter's Church. Both Palm Sunday and Easter come in March, and these alone indicate bigness, but in addition to these for the first time in 38 years, St. Peter's will have a Church Dedication on March 15 at 11 A. M. We will be dedicating the renovated and enlarged third Church, built in 1900-01; by the Grace of God working through your efforts, faithfulness and interest in your Church. Our dedicated Church will stand as a monument to God and man; as to what can be done when dedicated Church people become co-workers together with God. Please God, let us continue our good work in the future.

So built we this Church, with all the walls joined together: "for the people had a mind to work" Neh. 4:6

Sincerely,
The Rev. Harold F. Doebler

Our Heritage

The heritage of St. Peter's has its roots in the very beginning of our country. It has played a notable role in the development of the Lutheran Church in America as well as in America itself.

St. Peter's Evangelical Lutheran Church was founded in 1752 by Dr. Henry Melchior Muhlenberg. During the War for Independence of our country for freedom of worship, freedom of living and freedom of speech, St. Peter's Church was the headquarters of General Lafayette. Here Lafayette commanded a small band of troops as a buffer between Washington and Valley Forge and the British in Germantown. Several skirmishes were fought in the churchyard and several of those early patriots are buried in St. Peter's cemetery.

Today a bustling and modern community has developed from the farming valley of 1752. Like our country and our community, our Church needs have also grown. We accept with humble pride our heritage and the opportunity to strengthen and preserve this heritage through our
